Right now we are planning to go to Mount Kisco the week of July 20th. Next Monday. Next step would be to look at the other two sites...especially with the Rad7 rentals. I think it would be best to lock them in from now until the end of August.

Ben/Joel,

With me being out of the office, can one of you guys please reach out to Eric to gain the specifics for the Canadian Radium Site. Rick has set up the rental for the two Rad7 units and will lock down with the vendor once the specifics are determined.

Thanks,

Tim

Thanks Tim. Dan is out all week so I will be handling until his return next Monday. Also, you know that I will be leading all three assessments. Where are we with the Canadian Radium site? Rad7 rentals? Would you like to meet today? I am out tomorrow but will be back Wed. Do you have any personnel assigned?

Thanks
